

StateMachine::State

```
classDiagram
    class StateMachineState["StateMachine::State"]
    class LambdaState
    LambdaState --|> StateMachineState
```

The diagram illustrates a class hierarchy. At the top is a gray rectangular box labeled "StateMachine::State". Below it is a white rectangular box labeled "LambdaState". A vertical blue arrow points from the top of the "LambdaState" box to the bottom of the "StateMachine::State" box, indicating that "LambdaState" inherits from "StateMachine::State".

LambdaState
