

StateMachine::State

```
graph BT; LambdaState --> StateMachineState[StateMachine::State];
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box with a black border containing the text "StateMachine::State". Below it is a gray rectangular box with a black border containing the text "LambdaState". A vertical blue line connects the bottom center of the "LambdaState" box to the bottom center of the "StateMachine::State" box, ending in a blue triangular arrowhead pointing upwards.

LambdaState
